### Migratory Birds Regulations

Mark Hipfner  
Environment and Climate Change Canada  
5421 Robertson Road  
Delta, BC V4K 3N2

Permittee

Date of issue : July 4, 2016

Date of expiry: September 30, 2017

For the Minister

### General Conditions

1. The permit is not valid unless signed by the Permittee (holder) or authorized representative, in the space designated as "Permittee".
2. By signing this document you bind yourself to respect all terms and conditions of this permit.
3. The Permittee must comply with all other applicable Canadian laws and regulations.
4. Copy of signed permit must be carried by Nominees and Permittee when conducting this work and will be presented if asked by Police or Wildlife Officer.
5. Additional restrictions may be required and may be added to this permit by the Minister if it is deemed necessary to ensure compliance with the Migratory Birds Convention Act and the Regulations.
6. All Migratory Birds taken under authority of this permit remain the sole property of the Crown and they may not be consumed, bought, sold, traded or bartered for in any way.
7. Issuance of this permit does not supersede the necessity or legal requirement to acquire any other pertinent Territorial or municipal license and or permit which may otherwise be applicable.
8. This permit is not transferable to any other person(s) or organization(s) and is not valid if altered in any way.
9. This permit is NOT VALID in any Federal or Provincial Game Preserve or Bird Sanctuary or National or Provincial Park, National Wildlife Area, Wildlife Management Unit or other protected areas without proper authorization.
10. The Permittee shall submit a report in writing to the Canadian Wildlife Service in Iqaluit, NU no later than December 31 of each permitted year. The report shall include the numbers and final disposition of the bird(s) captured or killed, or parts thereof as authorized under this permit.

11. This permit may be revoked at any time at the discretion of the Minister.

12. All conditions as per the Nunavut Impact Review Board review (NIRB#: 16YN020) are considered conditions of this permit.

### Special Conditions

1. The Permittee is authorized to conduct the following activities at St. Helena Island (76 17 N, 89 09 W) and Tern Island (75 48 N, 96 20 W), NU:
  - Trap and attach GPS tracking tags to 5 adult Thayer's Gulls on St. Helena Island and 3 Sabine's Gulls on Tern Island. Banding and marking of THGU and SAGU authorized under banding permit #10667F under with data to be reported to the Bird Banding Office following the data submission guidelines.
  - Collect and be in possession of up to 10 Thayer's Gull eggs to be used for contaminant analysis.
  - Conduct observational population monitoring of ground-nesting seabirds on Tern Island, NU.

Nominee(s): Mark Maftai

I declare that I have read and understand this Permit, including all the conditions attached.
